IRIS IRIScan Desk 6 Pro - Digital document camera - colour - 13 MP - 2048 x 1536 - audio - USB 2.0 - AVI,WMV,FLV,MPEG

There is no question that more processes than ever are digital, and those that are not soon will be. Think about it for a minute. Banking and retail shopping online has been around for some time, but digitization has taken everyone even further in recent years. You can now order groceries from your couch and have them delivered to your door! If you haven't digitized, now is the time, and IRIScan Desk 6 Pro Document scanner will definitively help you get there. With its exclusive IRIS design, users can expect unsurpassed versatility. Incredible features such as innovative Artificial Intelligence (AI) and video capabilities make it the most efficient A3 document scanning solution on the market!

Key Selling Points

- 1D and 2D barcode recognition
- OCR leader
- HD lens and mic
- Unleash the power of IRIScan Desk 6 Pro

Product Features

1D and 2D barcode recognition

With 1D and 2D barcode recognition, IRIScan Desk 6 Pro allows users to track shipping notes, bills of lading, contracts, official documents, and export barcodes values along with their JPG images. This document scanner is the only one among competitors (Czur, Brother, Epson, Fujitsu, Xerox, Visioneer, Penpower, Ambir, Avision, Panasonic or Kodak) to extract barcode metadata values on the spot!

OCR leader

The IRIScan Desk 6 Pro seamlessly integrates with the IRIS OCR engine. This powerful user interface converts scanned documents into searchable files. It supports the following formats: Searchable PDF, Image PDF; Text PDF, Text, Word, Excel, JPG, MP3 and WAV. That's right. You can even listen to documents! This is, once again, another tool that is fantastic for those with dyslexia.

HD lens and mic

This versatile document scanner features an HD lens along with a built-in mic to catch even the smallest details. With these features, web tutorials can be created as well as unboxing videos or online demos for an efficient and comfortable remote audience experience!

Unleash the power of IRIScan Desk 6 Pro

Discover an outstanding approach to digitization of documents, books, and live demo videos. Fully compliant with Zoom, Team, Skype, and Google, The IRIScan Desk 6 Pro will improve your remote sessions and distance learning experience! IRIScan Desk 6 Pro also comes with a free IRIS productivity software suite, including Cardiris (PC), which converts your business cards into outlook contacts and Readiris PDF Reader (PC) which offers you an indexed PDFs manager as from any file format in one place.
